IT PRODUCTS & SERVICES

With the new Cloud and Cyber Security SINs in IT Schedule 70, the Trump Administration can be expected to bring the Government's technology infrastructure up to date.

56

CONSTRUCTION

President Trump campaigned on the promise of renewed infrastructure. Schedules 56, 03FAC and 51V are all well-positioned to facilitate the purchasing in this area.

84

SECURITY/ EMERGENCY

Another campaign promise was to keep the American Homeland safe. Schedule 84 offers security services, CCTV, Barricades & Fences, and a multitude of other goods & services.
